#### Pravidlá pridávania koncovky -ing

##### 1. Väčšina slovies len mechanicky priberá koncovku „-ing“

wear                      **wearing**

go                         **going**

hold                      **holding**

##### 2. Ak sloveso končí na „e“, túto hlásku vypustíme a pridáme „-ing“

write                     **writing**

smile                    **smiling**

take                      **taking**

##### 3. Ak je sloveso jednoslabičné a končí na spoluhlásku, pred ktorou je samohláska, posledná spoluhláska je zdvojená a následne je k slovesu pridaná prípona „-ing“

sit                         **sitting**

get                       **getting**

run                       **running**
